Rugby Northeast is proud to announce the 2012 Men's 15s first- and second-team All-Conference selections. As with the women, players were selected primarily based on coaches recommendations throughout the year and reflect the best players in the conference at their respective positions. The second team is new this year and replaces the eight-player honorable mention selections named last year.

Players will be honored at an award ceremony at halftime of the Rugby Northeast Men's Championship Saturday, Nov. 17 at Stonehill College at approximately 3:05pm.
