The South plays Jamaica Saturday in the Round 1 North final in Kingston, Jamaica. The South advanced to the final with a 50-23 win over Mexico in Marietta, Ga. last month, and Jamaica did so by downing Turks and Caicos 31-13.

Saturday's victor wins the right to take on Bahamas, with the winner of that match advancing to the Round 2 North knockout stages against Cayman and two-time defending NACRA champion Bermuda.
