There's an awful lot of American rugby to watch in the next month, both on television and online, and this is your guide to what's playing when and where.

Universal Sports and Versus are cable channels available in various cities throughout the country via various cable and expanded television providers, so check with your local provider to find out if you receive those channels. Universalsports.com is available to anyone with an internet connection, as is USA Rugby's Ustream
.

Root Sports Rocky Mountain (formerly Fox Sports Rocky Mountain) is available in the Rocky Mountain region, as well as through some advanced cable packages. Both DirectTV and Dish Network also offer Root Sports Rocky Mountain nationwide.

The Bowl and Cup finals of the Churchill Cup are available for purchase on Universalsports.com. The USA's two pool games are free.

All CRC coverage will eventually be available on Hulu.com
